Tzu Chi presents David D'Or

---

Dear Bay Area Friends,

[David D'or](#), the Israeli music sensation known for "[Voice from Heaven](#)", is an internationally acclaimed artist, singer, and composer. He is the winner of nine gold and platinum records. His unique voice and ability to bring classical, contemporary, and world music together in perfect harmony had drawn diverse crowd.

In 2006, David was invited to perform at the World of Music and Dance (WOMAD) Festival with famous 80's icon Peter Gabriel in London and Singapore, receiving raving reviews from the BBC and the entire international media. David had performed in Taiwan and Singapore. In 2007 he brought his breathtaking act to Belgrade, Poland, China, Thailand, and Italy, to name a few countries.

It is with great pleasure that Tzu Chi will host David for a one-of-a-kind performance in San Jose. This charity concert titled "Voice of Love" will be an unforgettable event in which David will touch everyone's soul through songs of great love and compassion. All proceeds will go to Tzu Chi Foundation's US Charity Fund to provide charitable and disaster relief services.

We look forward to seeing you in the concert.

Sincerely,
